

## **ARBURG Technology Days 2026**

**Tuesday, March 10<sup>th</sup> – 15<sup>th</sup>, 2026 - Lossburg, Germany**

### **Welcome to a Whole New World**

Prepare to be amazed at our Global Headquarters in Lossburg, where every visitor leaves inspired. From the sheer scale of our 2.1 million square foot facility to the cutting-edge technology driving our operations, the experience is nothing short of extraordinary.

Within this vast space, you'll witness the latest advancements in injection molding, automation, and digitalization—innovations that are reshaping the industry. Join us and discover how these groundbreaking technologies are paving the way for an exciting and transformative future.

### **Your Journey to ARBURG: Seamless and Relaxing**

Arrive in Zurich on Wednesday, March 11th, 2026, and let us guide you to the serene Black Forest, Germany, home to ARBURG's world-class facilities.

To ensure your comfort, we've planned a casual Welcome Dinner, giving you time to relax and recharge before embarking on an engaging and insightful factory visit on Thursday and Friday.

We'll take care of every detail during your stay—meals, transportation, entertainment, and accommodations—so you can focus on enjoying the experience.

Choose from our flexible options:

- **Land Package:** \$900 (ideal for arranging your own flights or connection with other business or personal travel).
- **Complete Package:** \$2,500 (includes airfare).

Rest assured, we've got everything covered for a memorable and stress-free trip.

### **What's NEW?**

In addition to all the latest technologies on display we will be including a couple of additional events to choose from.

These include a special Sustainability Tour which includes the complete experience of both the Geothermal system, as well as the solar system, wastewater recovery and a deeper dive into ARBURG's commitment to a "greener world".

You will also have the chance to visit a local toolmaker in the region giving you a deeper insight into the German tool makers world.

We look forward to sharing this unforgettable experience with you and welcoming you to Lossburg for an inspiring and immersive ARBURG Technology Days 2026.
